Select a reading from our textbook. Then, analyze the argument. Contextualize the text. Tell us what the thesis/claim/focus of the article is. Discuss any supporting material (natural or artificial). Also, discuss the style of the piece and the author's writing style. What kinds of rhetorical techniques does the author use to make his/her point?

You must incorporate textual evidence from the original source into your work (providing paraphrases and/or quotations as needed from each).
